

ARIZONA
DEPARTMENT
of CHILD SAFETY

Mike Faust, Director
Douglas A. Ducey, Governor

Hello Foster Parent College Instructors,

Based on the latest communication from the governor and its possible impact on fingerprinting services, we will be accepting FPC Registrations without fingerprint cards/numbers during this public contact restriction period.

However, we the DCS Training Unit, will need those numbers as soon as parents who enroll/complete during this period get them for our records.

Once restrictions are lifted, this requirement, as well as the other normal procedures will be reinstituted.

Thanks again for all your continued flexibility and understanding.
